Caught by surprise. Out of control. Surrendering all.
Don't know where this will lead you to.
Who do you commit to?
Who do you trust?
God only knows.
Once you've hit the ground. You appreciate more.
Once you've lost it all. You appreciate more.
Every single breath. Every step you take. Every move you make.

Frozen. Knocked off your feet. Scared to death.
See moments pass in front of you.

Once you've hit the ground. You appreciate more.
Once you've lost it all. You appreciate more.
Every single breath. Every step you take. Every move you make.
Is the taste of life for you. (Back back to life, back back to life).
It's a chance to start anew. (Back back to life, back back to life).

Pain turned to gold. Is a treasure you earn.
Appreciate. A lesson you can always learn.
Why don't you start now? Why don't you start now? Why don't you start now?

Once you've hit the ground. You appreciate more.
Once you've lost it all. You appreciate more.
Every single breath. Every step you take. Every move you make.
Every single breath. Every step you take. Every move you make.

Is the taste of life for you. (Back back to life, back back to life).
It's a chance to start anew. (Back back to life, back back to life).
